Package Description

Agatti Island is the only island in India's Lakshadweep archipelago that has an airport. It's like going to heaven. Agatti is the place where tropical dreams come true. There are turquoise lagoons, white powdery beaches, and colorful coral reefs all around it. Bangaram and Kavaratti are both accessible from the island. There are things to do that you'll never forget, like snorkeling with colorful fish, relaxing on beaches that haven't been touched, and taking scenic glass-bottom boat rides over clear waters. Enjoy the island's laid-back culture while being surrounded by nature at its best. Agatti is a paradise that seems far away, but it's actually not that far away. It is easy to fly there from Kochi.
