Day 3 - GOBUSTAN, MUD VOLCANO & FLAME TOUR

- Breakfast at Hotel
- Tour starts with Gobustan which is best known for being the home to the famous rock petroglyphs. The area has been settled since the 8th millennium BC. It is known for hosting thousands of rock engravings spread over 100 square km depicting hunting scenes, people, ships, constellations and animals. Its oldest petroglyphs date from the 12th century BC. In 2007, UNESCO included the ‘Gobustan Rock Art Cultural Landscape’ in the World Heritage list.
- Visit to Mud Volcanoes
- Tour starts with Ateshgah (Fire Worshippers Temple) Based on Persian and Indian inscriptions, the temple was used as a Hindu and Zoroastrian place of worship. “Atash» is the Persian word for fire. The pentagonal complex, which has a courtyard surrounded by cells for monks and a tetra pillar-altar in the middle, was built during the 17th and 18th centuries.
- Trip to “Fire Mountain - “Yanardag” – a mountain on Absheron peninsula, 25 km from north of Baku. Literally, word “Yanardag” means “Blazing mountain”. Blazing bodies of flame dance on stones and floor. Yanar dag is a natural gas fire which blazes continuously on a hillside on the Absheron Peninsula on the Caspian Sea near Baku, the capital of Azerbaijan, which itself is known as the “land of fire.”
- Tour continues with the visit to the charming example of modern architecture - The Heydar Aliyev Center – a 57,500 m2 building complex in Baku, Azerbaijan designed by Iraqi-British architect Zaha Hadid and noted for its distinctive architecture and flowing, curved style that eschews sharp angles. The center is named after Heydar Aliyev, the first secretary of Soviet Azerbaijan from 1969 to 1982, and president of Azerbaijan Republic from October 1993 to October 2003. **(Photo shoot outside)**

Day 5 - SHEKI TOUR

- Breakfast at Hotel
- Drive to Sheki (2hrs)
- Visit The Palace of Sheki Khan’s Palace in which was a summer residence of Shaki Khans. It was constructed in 1761-1762 as a summer residence of Hussein-khan Mushtad (grandson of Gadzhi Chelebi). The basic material for the Palace construction was raw bricks, river stones, plane trees and oaks. The most amazing is that not a single

nail or glue drop was used for the construction! Everything is in place due to a special solution the formula of which was lost forever.
- Later visit Caravanserais. Swift development of trade in the Middle Ages enhanced importance of caravanserai existing in the territory of Azerbaijan at that time and favored construction of new ones. Generally caravanserai were built in form of castles with one gate, closing of which made them impregnable during dangerous incidents.
- The Church of Kish, also known as Church of Saint Elishe or Holy Mother of God Church is an inactive 12th or 13th century Caucasian Albanian church located in the village of Kish approximately 5 km north of Shaki. The church became the "spiritual center and the place of enlightenment of people of the East".
- Proceed to Sheki Bio Garden. Bio Garden was created in 2009 within in an area overall 8 hectares in order to create one of modern agritourism enterprises in the Republic of Azerbaijan. Various kinds of fruits and berries brought from the regions of the Republic, as well as from other countries of the world are cultivated as ecologically clean and organic. ?n this charming garden you can not only taste organic fruits, which differ in taste and aroma, but also have a wonderful rest.
