### Ain Dubai Views - Non Prime Ticket

[Dubai](#), [United Arab Emirates](#) | Aerial & Skyline Experiences

Tour Description
<p>With the Ain Dubai Observation Wheel Non-Prime ticket, you may go up into the sky and see Dubai from a different angle. This is a terrific choice for folks who wish to ride the iconic attraction without having to deal with a lot of other people. You can take a pleasant, soothing cruise over Bluewaters Island. The Ain Dubai is the tallest observation wheel in the world. It takes you on a gentle, 38-minute ride that lets you see the beautiful Dubai Marina skyline, Palm Jumeirah, the JBR shoreline, and the boundless Arabian Gulf from all sides. From your big, air-conditioned cabin, you can watch the city unfold below you. This is a terrific spot to take pictures, unwind, and make memories high above the coast. The Non-Prime ticket is a terrific offer for people who have never been to Dubai before and for people who want to go with friends and family. You still get the same great view. See Dubai from its highest point, enjoy the vista, and stay away from the crowds.</p>
