Dubai Fantasy Park Entry Ticket with Dinosaur Park Access

Dubai, United Arab Emirates | Amusement Parks

Tour Description

Dubai Garden Glow is an enchanting, spellbinding destination that brings art, nature, and technology together; it's a unique experience for guests of all ages. The **Dubai: Fantasy Park Entry Ticket with Dinosaur Park Access** gives visitors access to two wonders in one go. Fantasy Park is a complete immersion into a region of artistic imagination, where gigantic, colourful sets are harmoniously combined with wild flowers that flourish all around.

Dinosaur Park Access will also take you to the breath-taking Dinosaur Park, home to more than 120 life-sized dinosaur models. Take a journey in time to the pre-historic era with its interactive displays for visitors to learn more about the amazing creatures that roamed on the earth millions of years ago. The dinosaurs are animatronic; this means they are able to move around and make realistic sounds to add to the fun and learning during your visit. Aside from these two major attractions, other zones include the Ice Park, which was specially introduced with spectacular ice sculptures, and Magic Park is an area containing optical illusions and 3D arts. All in all, the Dubai: Glow Garden Entry Ticket with Dinosaur Park Access promises an unforgettable adventure for families and tourists alike-a symphony of glowing artistic beauty together with the thrill of dinosaur discoveries in one night.
