Dive Atlantis at famous Atlantis, The Palm resort is one of the prime scuba diving spots in Dubai. You can dive right through an underwater aquarium with over 65,000 marine animals, including beautiful rays, colourful tropical fish, and even sharks. Guided dives are available for first-timers to ensure that you have a safe, enjoyable time learning your first basics of scuba diving other popular sites include the historical wreck of the Zainab, a cargo ship that has become a very colourful artificial reef, home to myriads of marine life. Advanced divers can investigate the wreck, covered in coral and hosting several species of fish-undoubtedly one of the most unforgettable dives.
